Article 36.—FOOD VENDING MACHINES AND FOOD VENDING MACHINE COMPANIES AND LODGING ESTABLISHMENTS—APPLICATION AND LICENSE FEES

28-36-30. Fees. The 1993 Kansas Legislature passed HB 2118 increasing the food service establishment license fee limit from \$40 to \$100. The amendment increasing the license fee from \$40 to \$70 is in response to HB 2118 authorizing the Secretary of Health and Environment to establish license fees. The fees are to defray the cost of administering the food service establishment inspection and licensure activities.

ECONOMIC IMPACT: This increase in license fees will generate approximately \$360,000. Amendment of K.A.R. 28-36-30 is expected to increase total food service establishment license fee revenues from \$660,000 to \$1,020,000. Contributions to the SGF are expected to increase from \$435,000 to \$673,000 annually. Local health departments contracting with the Secretary to provide inspection services can expect an increase from \$225,000 to \$347,000.

A copy of the regulation and the economic impact statement may be obtained from Sandy McAdam, Office of the Secretary, Landon State Office Building, Room 901, 900 S.W. Jackson, Topeka 66612, (913) 296-6917.

Social and Rehabilitation Services

Public Notice

Changes in payment methods and standards for setting medicaid nursing facilities (NFs) and NFs-Mental Health (NFs-MH) payment rates for services for the payment limitation period beginning July 1, 1993, include the following: The calendar year-end 1992 cost reports will be used to determine the rates. The historic inflation factor will be based on the Data Resources, Inc. Skilled Nursing Facility Market Basket Index (DRI Index) and will be applied from the midpoint of the cost report period to the most currently available DRI Index. The estimated inflation factor will be based on the DRI Index. The estimated inflation factor will begin where the historic inflation factor ends and will be applied to the midpoint of the payment limitation period (December 31, 1993).

The rates for providers filing historic cost reports for reporting periods ending after December 31, 1992, will be subject to the July 1, 1993, upper payment limits. The historic inflation factor will be applied from the midpoint of the cost report period to the end of the cost report period. The estimated inflation factor will be applied from the end of the cost report period to the midpoint of the payment limitation period.

The cost information for each provider shall be compared with other providers that are similar in size, scope of service and other relevant factors to determine the allowable per diem cost. Percentiles will be calculated on total resident days. Previously, percentiles were based on the total number of facilities.

The expected estimated annual aggregate increase in expenditures is \$22 million.

The agency is changing its methods and standards to ensure that payment rates are reasonable and adequate to meet the costs that must be incurred by efficiently and economically operated providers to provide services in conformity with applicable state and federal laws, regulations and quality and safety

Copies of the proposed changes will be made available in the local and area SRS offices. Comments may be sent and reviewed by the public at the offices of Income Support/Medical Programs Commission, Nursing Facility Program, 6th Floor, Docking State Office Building, 915 S.W. Harrison, Topeka, Kansas 66612-1570.

Automobiles and Other Vehicles—Publicly Owned Motor Vehicles—Private Use of Publicly Owned Vehicles. William L. Frost, Manhattan City Attorney, Manhattan, June 7, 1993.

As a general rule, publicly owned vehicles may not be used for private purposes. However, city employees whose job responsibilities require them to be available 24 hours a day are not in violation of K.S.A. 8-301 et seq. when they use a city owned vehicle for personal uses (which are described in this opinion) because these uses are merely incidental to the primary purpose of the city which is to keep these employees accessible and responsive to city demands around the clock. Because the "club house" and the miniature golf course in question are new construction, the total facility needs to be built pursuant to the new construction guidelines as set out in 28 CFR Part 36. Cited herein; K.S.A. 1992 Supp. 58-1301; 58-1303; 42 U.S.C. §§ 12181, 12183. MJS

Public Health—Local Boards of Health; Clinics; General—Inspection of Religious Schools and State Colleges and Universities. Philip E. Winter, Lyon County Counselor, Emporia, June 7, 1993.

A local health officer has the authority to conduct a sanitary inspection of private, religious schools. However, the definition of "schools" as used in K.S.A. 65-202 does not encompass community colleges and universities. Cited herein: K.S.A. 65-202; 71-101; 72-101; 76-101. MJS

Taxation—Motor Vehicles—Taxes Levied Annually for Registration Period; Counties' Acceptance of Credit Cards for Payment of Taxes. Nancy Parrish, Secretary of Revenue, Topeka, June 9, 1993.

Use of credit cards for payment of motor vehicle taxes and vehicle registration fees is not authorized by statute and taxes may not be discharged upon acceptance by the county treasurer of a credit card unless and until payment is actually received by the county. Thus registration may not be accomplished until the credit transaction clears and payment is made to the county by the card issuer. Counties may not alter this conclusion by home rule, nor may counties impose an additional fee to cover a credit card company service fee. Notice of Public Hearing

The state board of indigents' defense services will conduct a public hearing to determine the feasibility of prorating attorney claims for fiscal year 1994, pursuant to K.S.A. 22-4507(c). The board has received insufficient appropriations from which to pay all pending and anticipated claims for fiscal year 1994. The purpose of this public hearing is to assist the board in determining the impact that proration of claims will have on the quality of representation of indigent felony defendants throughout the state. Furthermore, the board will attempt to determine the impact such a decision would have on the availability of qualified panel attorneys within each county and

district

All persons interested in testifying in person should contact the director at (913) 296-4505 no later than August 13, in order to be placed on the agenda.
